

West Ridge specializes in Kitchens!

Kitchens are by far the most celebrated area of the home. Whether it's feeding your family, having a party or enjoying a glass of wine your kitchen tells how you are as a person, an entertainer and a host.

West Ridge Co. takes you through a step by step process with preferred suppliers and vendors that have years of experience in designing and remodeling elaborate to the simplest kitchens all to correlate a reflection of you.

The first step is selecting Appliances and cabinets. The appliances are the jewelry of your cooking environment and should be selected for your personal needs.

Next are the Cabinets which are the heart and soul of the kitchen. Selecting the species, style and stain shows off your personality and attention to detail. To help make this step easier, 3D pictures in color are a must to aid our visual understanding.

Always dreamed of a deep sink with a pull out faucet? West Ridge Construction takes you to our preferred supplier with hundreds to pick from.

Want to add a smile and a little excitement to the finishing touches. Our tile designer will infuse your kitchen with unique features and precision details that will have you showing off what is truly a piece of you for decades
